

2014 Grow Good Food Workshop

Sedgwick County Extension
Wichita, KS, Saturday, March 22, 2014 10:00 a.m.

“Choosing What to Plant”

READ -- *Kansas Garden Guide* –KSU Bulletin S-51

1. What do you enjoy eating?
2. How much time do you have to water, weed, and maintain your garden?
“Remember, a small weed-free garden will produce more than a large weedy mess!”
3. What size of a garden would fit with your life-style?
Pot on a patio – See KSU Bulletin MF-2873, and EP-31
4’ x 4’ bed – See www.melbartholomew.com
4’ bed along a fence
Raised Bed Gardening – See KSU Bulletin MF-2134
100 square feet or larger
Acres of space – See KSU Bulletin MF-1115
4. Do you want a spring, summer, fall, or year-round garden?

Spring March/April	Summer Early May	Fall July/August/September	Perennial March/April
